

Globethics – Resources

Ethics of Sustainability and Environmental Justice

Globethics Library

Homepage: www.globethics.net/library/home

The Globethics Library is a free, open online library aimed at providing quality resources in the field of ethics, higher education, policy engagement, and ethical leadership, with a specific focus on the thematic priorities defined in the Globethics Strategy 2023-2027.

The Library supports the mission of Globethics with its first class research and study materials and information services to equip individuals and institutions for ethical thinking, decision-making and action through higher education and policy engagement from cross-cultural and global perspectives.

The following resources are selected titles from major Reference works, Library collections, journals, Globethics Publications, and other open access resources, pertaining to Globethics thematic priority “Ethics of Sustainability and Environmental Justice”.
